003/19	The minutes of meeting May 21st 2019 and of Parish Meeting May 21st 2019 were accepted as accurate.	Clerk
004/19	Public Participation:	-
	One of the Stowe By Chartley councillors, who is also well known to Hixon Parish Council, is in hospital - council asked for its best wishes to be passed on.	-
	The Green Man is still open and is clearly thriving - can a new ACV application be made? Will the PC actively support an application? Answer - yes. CAMRA have said that the Green Man has not been offered for sale as a Public House since the current owner bought it. At least 3 offers to buy the pub as a going concern have recently been made and all turned down. Decided to make the Green Man one of the Hixon Heritage Buildings ASAP. Create a new PR campaign to keep the Green Man open as a pub: proposed Cllr. B McKeown, seconded Cllr. A Murdoch - all in favour.	Councillors
	Query concerning the new Village Bus Service: £2 each way, discount for weekly ticket, bus passes accepted. Copy of timetable provided for use by Stowe by C PC.	-
027/19	Arrange members of the sub-committee groups: It was decided to leave this until the new councillors knew more about what they are.	
050/15 and 074/17	Community Involvement to improve Hixon - <i>May-19</i> : The Hammonds Croft based "Hixon Volunteers" Group would like more members. <i>June-19</i> : Cllrs. B McKeown and Mrs C Murdoch have both met with eh leader of the Hixon Volunteer Group. They are very keen to get new and younger members. They want the group to take on jobs put forward both by the group and by the PC. The PC kit e.g. gardening equipment can be used. They are very keen to improve the Mental Health Support in the village. Items they would like improved are: the side of McColls up to Hill Croft and the area around the phone box. PC to facilitate the getting together of the PC volunteers (litter picks etc.) and the existing Hixon Volunteers. Hixon Volunteers currently run the phone box book exchange, the Breakfast Club at the Church and look after the memorial at the church. Dog Poo: ask SBC o come out and do another count in July. Ask if we can have more signs from them. If anyone sees dog poo being left behind by a dog walker, try and get photographic evidence and SBC can fine the person.	Chair
041/15 and 032/16, 067&081/09 & 056/11& part 041/15, 038/16, 065/17, 004/16	Speed and Highway Safety in Hixon Parish plus Village Gateway Features : <i>Jan-19</i> : Cllr. B McKeown has nearly finished the document on Safety Features and Gateway Features. Once finished, circulate to Cllrs. again with a view to then sending it to the Highways Liaison Manager (HLM). <i>Feb-19</i> : Document has been sent to the HLM, awaiting a response. HS2 may have an impact. <i>May-19</i> : Still no response from HLM, Chair is chasing one. County Councillor is keen for schemes to go ahead and for the 40mph speed limit through Pasturefields. <i>June-19</i> : Try and get a meeting with the HLM and the County Councillor	Cllr. B McKeown
As above	Speedwatch Campaign: Would like to do 1 session per week. Need a minimum of 3 people. <i>Jan-2019</i> : Talk on Feb 2nd by Chief Constable etc. - invite all the Hixon Community Speedwatch Members (CSW). <i>Feb-19</i> : Meeting at HQ talked about how SpeedWatch (SW) had grown throughout Staff. There are different types of speed cameras. Meting lasted 3 hours, most councils that have SW attended - big meeting. Most villages have permanent signs in place - trying to get the Specials to come out to sessions so that speeding drivers can be given tickets. Some people have had more than 3 warnings and are being prosecuted. <i>March-19</i> : had a session by the school in early March (no mobile signs used) - large increase in people speeding (ca. 3x) about 10% speeding (40+ vehicles). Lots of verbal abuse given. PCSO will make an effort to come out to sessions. More sessions will be held as weather improves. <i>May-19</i> : Report given at Parish Meeting. No update in June.	Cllr. Hopcroft
021/09, 023/09, 074/09, 091/09	Playing Fields Report: <i>March-19</i> : The Rider has been repaired and is much stronger than before, thanks to the Boatyard on Church Lane. The resident who used to lock/unlock the playing field gate has moved - new resident may be prepared to do this (?) Cllr. Hopcroft will ask someone in St Peter's View if they will do it . Swings will be painted this week. Police sign will be replaced. <i>April-19</i> : Litter picked and some tree pruning (lower branches by swings) and ivy removal undertaken. The back has come off the wooden bench and it needs to be removed - keep the plaque for possible future use. <i>May-19</i> : Lambs are getting in to the playing field through the fence on the left hand side (believed to be PC owned) probably due to children pulling down the wire to make a gap big enough for themselves to get through. Cllr. Hopcroft has spoken to the lambs' owner and believes he has an idea to solve the problem with the fence. Will have more discussions. <i>June-19</i> : We don't know who did some weedkilling in the area of the bench by the MUGA and dripped weedkiller across the grass. It wasn't our contractor. Two separate dogs have been seen with owners on the playing field, both asked to remove the dog. The hedgerow/undergrowth is encroaching on the grass areas of the playing field, ask contractor to cut it back.	Cllr. Hopcroft/ Clerk

## Hixon Parish Council

051/10	<p>JBMI Liaison Committee: Next meeting is December 5th 2019. Update: JBMI have seen a 40% drop in the demand for aluminium and have cut production by 45%. There have been some redundancies and they have reduced hours for staff, although they are still working 24/7. The salt recycling plant is selling well. They have 64 CCTV cameras and the fork lift trucks have impact sensors and they check what has been going on if the sensor is activated. The bunds/trees are finished. Large blocks are in place at the New Road entrance to stop lorries from parking there. There are new signs in place to help drivers go to the correct entrance. There is now a turning circle at the New Road entrance so lorries don't have to reverse on to Church Lane. Cllr A Murdoch to ask JBMI if they will put gabions with plants/trees in place of the large blocks, as more aesthetically pleasing. Suggest involving Gospel Hall in improvements to this area.</p>	Cllr. A Murdoch
050/12 and 032/12 (Plan for Stafford)	<p>Neighbourhood Plan: Background: The Neighbourhood Plan was considered by Cabinet on 3 November 2016 and adopted by Council on 22 November 2016. The Neighbourhood Plan is now part of the Borough's development plan for making planning decisions. It was agreed that the Neighbourhood Plan Scrutiny Committee (comprising the original Steering Group members) meet 6-monthly starting in June 2017, to review the plan and its effectiveness. <i>March-19</i>: Questionnaire is with printer. Plaques - now suggest they have name of property and date built plus the PC website address - put all the details on the website so they can be updated easily. Have section dedicated to the heritage buildings. Hixon PC will be consulted in 3-4 years time by the Borough re future development plans. There is no intention to puncture the NP boundary. CIL information is being chased up. <i>April-19</i>: Blenheim Manor (BM) Questionnaires had gone out and waiting for a few more to come in. Analysis will be available for the next meeting. Plaques not done yet, gathering in the research on the properties for the website. <i>May-19</i>: Analysis still ongoing, lots of information back from one heritage property, waiting for information from 3 more (starting with 4 properties.) <i>June-19</i>: Green Man being added to list, others are: Yew Tree Farmhouse, Jubilee Cottage, High Cross, Scout Hut, Bath House, South View Cottage, Control Tower. Cost now approximately £25 per plaque - agreed. Suggestion that QR codes could be added to the plaque so person could be taken straight to the information on the website. BM questionnaires still being analysed, approx. 33% returned.</p>	Cllr B McKeown
054/14, 034/16	<p>Hixon drop-in surgery and Hazeldene House Surgery incl. Patient Participation Panel: <i>Jan-19</i>: A long-term (10 year) plan has been launched in the NHS. England will be divided into 7 regions. NHS England and NHS Improvement will merge. STPs are being scrapped unless very advanced. <i>Feb-19</i>: Next PPG meeting is 28th Feb, Cllr. Hopcroft will attend. <i>March/April-19</i>: Temporary Agency Practice Nurse in place, who is a Nurse Practitioner and can prescribe. Trying to get another doctor in. <i>May-19</i>: Hazeldene have written to both the bus companies re altered bus routes/times that make it very difficult for residents to get to the surgery by bus - neither interested - one quoted the forthcoming new "taxi" service and the other simply said it wasn't economic. Satisfaction scores from patient survey have gone down due to difficulty in getting appointments. Nurse Practitioner is a good route to use. Move item to quarterly after PPG meeting. <i>June-19</i>: Cllr. Hopcroft not present.</p>	-
055/15	<p>IT and Using Cloud Storage on G-mail for PC documents: IT sub-committee of Cllrs. Mrs S McKeown, Baxter, A Murdoch and Clerk. <i>Oct-18</i>: Group met 3rd Oct. Has drawn up document on functional for website. Advert for "Expressions of Interest" placed in Compass, contact local web developers for same, press release in local press. Ask Borough and county if they have IT web developers in-house that could help. Look at "Clerk and Councils Direct and local radio. Draft Timetable: <i>Feb-19</i>: Request made for names of interested companies to be distributed to IT Group members. <i>March-19</i>: Have 4 companies wanting face-to-face discussions, 2 wanting a conference call and 2 don't need anything. It is proposed to have a design contract and a service contract - companies may have their own. Should any contracts be passed by the Solicitor? <i>April-19</i>: Have met with 3 companies, all local. Arrange a short meeting to decide next actions and plan. <i>May-19</i>: Clerk to arrange conference calls with the remaining 3 or 4 companies. Update the functional specification, decide what to do about a contract. Meet after the calls finished, add Cllr. Carmichael to the group. <i>June-19</i>: Need to arrange a meeting - 2nd or 3rd July.</p>	Clerk /IT Group

035/18	<p>Consider changing from contractor to In-House grass cutting arrangements: <i>Dec-18</i>: Decision taken to continue with current contractor for another year, to allow time for the specification and contract to be fully reviewed and revised and be ready if required for tender etc. in the future. Cllr. Mrs S McKeown will revise along with Cllr Hopcroft. Paperwork to be revised or drawn up include: Contract, specification, schedule, site locations, tender evaluation form, covering letter. Cllr. Hopcroft and Chair to meet with contractor prior to first cut to discuss requirements. <i>Jan-19</i>: Cllrs. Mrs S McKeown and Hopcroft are working on the revised paperwork for future use. <i>Feb-19</i>: Need to sort out what parts of MG grass cutting/strimming are being paid for by the PC. <i>March-19</i>: Cllrs.. had met with Acer to discuss best way to keep grass looking good - best option may be to cut everywhere fortnightly and/or extend the mowing period, this has obvious cost implication. Can't cut lower than the moss as it damaged equipment. Acer to let Clerk know if extra cuts are recommended. Revised contract, schedule etc. nearly ready - need a walk through to check it out. Cuttings to be dumped bottom right corner of playing field - Acer could use boards to get in to corner with tractor. <i>April-19</i>: Most of the revisions have been made, Cllrs. Mrs S McKeown and Hopcroft to walk the village to check that the schedule is correct. Allett mowers have been testing out very noisy petrol mowers on the Airfield Estate - they also have some quiet battery mowers to test - perhaps the PC could offer them somewhere to try these out (?) <i>May-19</i>: Cllrs Mrs S McKeown and Hopcroft have looked around the village - have a query as to who owns some land on Featherbed Lane - Clerk to check with S&amp;RH. <i>June-19</i>: Clerk had circulated S&amp;RH info. Not discussed at meeting.</p>	Councillors
