Two possible volunteers to do this. Chair will ask one person to keep a log. Planning Enforcement are following procedures with a view to enforce planning permission application - boat owners say that boats are not in the water as the bank has eroded and the boats are on land. New disclosable interest forms need to be completed by those Cllrs. that haven't already done so. Summary etc. of Localism Act has been circulated to Councillors for review. SBC website has information from the old disclosable interest forms on it (no Spouse details etc.), need to find out if this is changing. 037/012 (&059/12)	<p>(Public meeting for) 12/16714/OUT Building for Use Class B1(Business) and/or Use Class B2 (General Industry) and/or Use Class B8 (Storage and Distribution) (outline) - access, appearance, layout and scale to be determined - Air & Ground Aviation Land Off New Road, Hixon. Planning Committee gave permission for the outline planning application to go ahead. A large number of Hixon residents have indicated their disgust at this decision at the planning meeting, at the PC meeting and via e-mail etc. The decision was based on inaccurate and misleading information. A resident has agreed to lead the complaint on behalf of other residents against Stafford Borough Council's decision and take the case to the ombudsman if necessary. Signatures collected at the meeting and a door-to-door flyer produced that residents completed and returned, stating support for the complaint. It was suggested by a resident that advice from a planning consultant may be useful. Letter of complaint has gone in to SBC, together with >ca. 300 residents signatures supporting the complaint. Pre-Action Protocol letter sent to SBC and response received - considered unsatisfactory by Cllrs. Next step would be application for judicial review - costs of up to £5000 total for this stage agreed unanimously, pre-action protocol letter charges have been waived by solicitors. Application for judicial review has been filed, comments received from SBC and Jonathan Lloyd. Resident has taken forward the complaint to the Ombudsman and this has passed the first hurdle. Application for Judicial Review has been refused by judge, costs awarded to defendant and IP. JR Decision Notice dated 30th April but not received until 10th May, having been collected by hand from Court following 3rd party information. Written representations have been made against costs. Maximum liability for JR application if full costs are awarded should be ca. £19557 + VAT. Ombudsman has requested further information. Agreed that the 300+ people who supported the complaint to the Ombudsman be contacted re Ombudsman requiring individual complaints of injustice sent in.</p>	Awaiting update from legal advisors. Up to £7K per community should be available from Locality. There is a local Locality person in Stoke - Andy Parsons. Planning Aid will give free time on planning issues. Community Council charge if they come out to give help, phone calls and e-mails are free. Neighbourhood Plan needs to go along with Local Plan, therefore need to work with SBC planning. Need to include members of public (Hixon Parish residents) in group to draw up the Plan, ask for help on website, FB Community page and in Newsletter. Four residents and two Councillors have come forward at present. Chair and Clerk meeting with the Neighbourhood Plan person at SBC on June 24th, ask her to speak at next PC meeting. Need to get working group sorted and plan started.	Clerk
052/12	Discuss separation of Hixon from the Haywoods/Colwich in local election. Residents at the meeting agreed that this should be taken forward - to be progressed in New Year. Clerk to write to Alistair Welch asking for the ward boundary to be re-drawn making Hixon a single member ward. Ask about shortest timeframe possible and what the PC can do to help. Public feedback and support is required, campaign locally. Boundaries are due for review every 10 years, last review was 2003. Reply received from Jane Peat - in hand. Presentation at SBC offices on Monday March 25th was attended by Clerk and Cllr. Tummey. Cllr Tummey gave a review of what was said and what needs to be done. Clerk to write again to Alistair Welch asking for Hixon to be separated from Colwich/Haywoods to form a 1-member ward.	Cllr Tummey/Clerk
058/12	Discuss the lack of representation for Hixon by Borough Councillors: Ask Alistair Welch for clarification re planning committee members? It was decided to ask Alistair Welch if there are any restrictions on Borough Councillor's listening to PC and/or members of the public discussing planning applications: can they listen, can they express views? Seek clarification. E-mail sent, no reply. Follow-up e-mail and letter sent, plus copy of letter to Ian Thompson (Chief Executive) - still no reply. Keep chasing. As no response received from Alistair Welch, the information has been requested under under Freedom of Information. Reply due by 7th May (20 working days). Clerk has chased response. Hixon Parish Council

066/12	Consider HS2: Although Hixon is not directly affected by the proposed route of HS2, it was considered important that Hixon Parish Council and Hixon residents are kept up-to-date with what is going on and are invited to meetings etc., in case anything changes. Keep as an agenda item. The consultation on the preferred route ends in 2014. The decision will be made in 2026 whether the government can afford to build it, phase 1 will be complete by then. If phase 2 goes ahead, it will be finished ca. 2033. Need to ensure that if HS2 goes ahead, the preferred route is kept to. Residents can contact MP etc. Invite Jeremy Lefroy to September meeting? Monitor situation with regards route, other villages are trying to get the route changed so that it runs through Hixon.	Clerk/Chair
068/12	Consider reply from Memorial Hall Committee re car park etc.: It was considered that the reply from the Memorial Hall Trust did not show any flexibility. Other PCs get the use of the local hall free of charge. It was decided that the Clerk should draft a response and circulate for comment. Letter sent, awaiting reply.	-
069/12	Bank House car park payments: Neither the new (since Dec12) tenants or the owners of the Bank House (Joules Brewery) want to pay the charge for use of the car park. Other suggestions such as a donation from the brewery as a marketing exercise have been suggested by the brewery, this was not considered a particularly good idea by the Council. Cllr Sephton to meet with a representative from the brewery to discuss the best way forward, regular payments have been made for use of the car park by their customers by the Bank House owner or tenants since 1997. Copy of letter to Bank House from 1997 given to Cllr.Sephton and Chair. Cllr Sephton has met with Neale Chandler from Joules Brewery - copy of letter passed on and the situation with the planning application for an extension discussed - the consultation by the Planning Department re the continued use of the car park by ther Bank House for the planning application for an extension was considered of note by Neale Chandler. A copy of the original contract between Bass Brewery and the Bank House owners (March 1986) has been found, together with a letter from the PC's solicitor (March 2001) saying that the PC were entitled to increase the rent - if the Bank House owners didn't want to pay an increased rent, the PC should give them notice to quit the car park.
